PARTNERING WITH COMPANIES

- One entry point: company account
 - *Long lasting relations*
 - *Easy access*
 - *Personalized approach*
 - *Interdisciplinary engagement*
 - *Companies needs*
- Industry-accademia matching thanks to data
- Open access research infrastructures
- Long life learning, reskilling → demographic changes
- Industries inside the Campus

INDUSTRIAL LIAISON OFFICE

Free of charge tailored support to facilitate

- company introduction to selected group of researchers
- network for joint participation on funded projects
- commissioned research
- use of university infrastructure
- enrolling your employees to attend a PhD program
- scout at our Business Incubator
- take advantage of Unito local investments in Innovation centres (Masterplan)

Pillars

- 1to1 relations → relations-opportunities
- Active network with local institutions → network
- Scientific Platforms → scientific placement
- Thematic round tables → thematic visibility
